Blake walks into the Captain's office. The walls are litter with newspaper clippings and citations of his accomplishments.

CAPTAIN NICOLS

Close the door. Then get over here and sit the fuck down.

Blake closes the door and then walks towards his Captain's desk like a prisoner to the electric chair.

CAPTAIN NICOLS

Hurry the fuck up!

Blake makes it over to his captain's desk and goes to sit down.

CAPTAIN NICOLS

What are you doing?

BLAKE

(stops)
About to sit down.

CAPTAIN NICOLS

Why the fuck you think you can come in my office and sit down?

BLAKE

You just told me to sit down.

CAPTAIN NICOLS

No. No. Don't sit down. You won't be here long enough to warm that fucking seat.

BLAKE

Okay.

CAPTAIN NICOLS

Leave your gun and badge. Your suspended. You should get with your fucking union rep because I am gonna try and fuck you like you fucked me!

BLAKE

Captain, I was just trying to do my job.

CAPTAIN NICOLS

Don't fucking Captain me! You fucking pulled over the sister of a murder victim of a fucking case that you are working! All because you wanted to tell her that you fucking think her fuck buddy is a drug peddler!

BLAKE

You make it sound bad.

The captain stares at Blake.

CAPTAIN NICOLS

Go and stand somewhere outta range of my fucking fists. Because I am getting a powerful compulsion to fucking ram them into your head until your brain matter is oozing out of every hole in your head. You fucking yahoos tasered an unarmed African American woman who you detained on the side of the road without probable cause!

BLAKE

I, technically, didn't detain her.
.

Captain Nicols stares at Blake again.

CAPTAIN NICOLS

Let the record show that you were ordered by your superior officer to stand somewhere where my fists can avoid colliding into your face. You fucking ninny! The only silver lining is the fucking boyfriend you assholes tased has a record as long as an Alaskan winter.

BLAKE

I...I tried to stop them from tasing him!

CAPTAIN NICOLS

You started it by pulling him over! It was your mess to clean up.

BLAKE

(Hangs his head)
I know.

Captain Nicols stares at Blake again.

CAPTAIN NICOLS

Every time you say something my hands,
(Takes a deep breath)
...We are gonna charge Mr. Romeo Carter with every charge we think has a half ass chance of sticking. That includes endangering a peace officer. Anything to take away from the fact that we are at fucking fault. To be more specific...you are at fault!

BLAKE

(Nods)
I'm...I'm sorry Captain.

Captain Nicols stares at Blake.

CAPTAIN NICOLS

Be sorry on the other side of the door.

Blake nods and walks out of the office.
